2021-2022
C.C.E.A. Member Grants

CCEA Member Grants/Scholarships are now available to all active CCEA members, both Teachers and ESP, who are either working in **coursework*** which will enhance their classroom teaching or school job skills or seeking a teaching degree. The grants range up to **$250.00** for taking continuing education classes or training completed between July 1, 2021 and June 30, 2022. Proof of enrollment in coursework or trainings must also be furnished by each applicant.

Previous CCEA grant winners are entitled to apply again, but because of limited funding, priority will be given to those who have yet to receive a CCEA grant.

Applications will be reviewed by the CCEA Grant Committee, with winners to be announced by the end of April.

*Courses may be undergraduate, graduate, or continuing education coursework or trainings such as computer skills, etc.
