During the probationary period the Employer may suspend, transfer or terminate the new employee without cause, except for lawful Union activities. Upon completion of the probationary period the employee will be considered a "just cause" employee for the remainder of the contract year.
2. ANNUAL: The first two (2) years of employment the employee will be recommended on an annual basis. Annual reappointment will occur prior to 30 calendar days of the last workday in each fiscal year. To be counted as a fiscal year of work, the employee must have worked one day more than  $\frac{1}{2}$  of the total workdays in that fiscal year. The fiscal year runs from July 1 - June 30 each year. If the employee does not work one (1) day more than  $\frac{1}{2}$  of his/her workdays in that fiscal year that year will not count as one of the two annual years of service. The employee may be non-reappointed without cause for those first two (2) years. If reappointed after the two (2) year period, the employee will be considered a continuing contract employee unless there is cause for a recommendation for termination. If the Union and management agree, a 3<sup>rd</sup> year annual contract may be offered in extenuating circumstances.
3. TERM: A term contract is issued when a position is advertised as a "TERM". The position is for a specific period of time and does not provide an expectation of continued employment beyond the term and may not provide the basis for a continuing service contract. The decision to post a term position will be mutually agreed upon by the parties on an individual basis. Reasons for a term position are:
  - a. Grant funded/limited-time state funded programs
  - b. Employee on leave of absence

If an employee holds a grant funded position for two (2) consecutive years, has received an overall satisfactory evaluation for each year in that position and the grant for that position is funded for the following year, as long as the requirements for the position remain the same, the employee shall be offered the opportunity to continue in the position. This does not constitute a continuing service contract status.

## K. SENIORITY

Seniority is defined as service in a certificated position, in the Citrus County School District. Seniority shall be calculated from the first duty day of the most recent period of full-time continuous employment within the district, exclusive of long-term leaves of absence without pay. Seniority shall accrue annually. One year of seniority shall be awarded for working one day more than half of the employee's contracted year.

## L. REDUCTION IN FORCE (RIF)

In the event the Superintendent determines that the district-wide Support Personnel staff must be reduced, the Association will be notified by the Superintendent, in writing, with an explanation of the reasons for such Reduction in Force at least seven (7) days prior to the Superintendent's submission of his/her

recommendation to the Board for final Board determination.

1. The Board shall determine the number of positions and job classifications, which will be eliminated. After the number of positions has been determined, the Superintendent will notify the Association of such determination.
  - a. Lay-offs shall be made by the Superintendent according to the following criteria: needs of the district as determined by the Strategic Plan, and specialized skills related to essential operational functions.
  - b. If all above sections are equal, seniority in the district shall be the determining factor.
2. BUMPING
  - a. Should the least senior employee in a ESP classification be a person who has been transferred or promoted into the classification where the layoff is taking place, and be selected for layoff, the employee will have the option of accepting the layoff or returning to their previous ESP classification and seniority provided he/she has more ESP classification seniority than the least senior employee by job classification in the job into which he/she seeks to bump. Should one or more employees who might be affected by a layoff have the same ESP classification seniority date, then total seniority with Citrus County School District shall be used.
  - b. The employee who has successfully bumped into their previous ESP classification to avoid layoff shall be placed at the bottom of that classification seniority list. When the position of the employee selected for layoff is reinstated, the employee shall return to their former position held prior to bumping, and all subsequently bumped employees shall return to their former positions.
  - c. The ESP bargaining unit members who accept a transfer or promotion to a Citrus County School Board position that is outside of the ESP bargaining unit will have their seniority frozen at the time they leave the classification. In the event an employee returns to their former classification in the ESP bargaining unit, their seniority in that classification shall resume from the point they left and had their seniority frozen. If seniority in the district is equal then performance shall be the determining factor.
